

HOUSE OF COMMONS  
CHAMBRE DES COMMUNES  
CANADA

## PUBLIC REGISTRY OF DESIGNATED TRAVELLERS

In accordance with the [Members By-law](#), each Member may designate one person, other than the Member's employee or another Member who is not the Member's spouse, as their designated traveller.

The [Public Registry of Designated Travellers](#) provides the name of the designated traveller for each Member in office during the fiscal year (between April 1 and March 31). If a Member chooses not to have a designated traveller, the Member's name will not appear in the registry. It is maintained by the Clerk of the House of Commons and updated on a quarterly basis on [ourcommons.ca](http://ourcommons.ca).

A Member may change a designated traveller once every 12 months, at the beginning of a new Parliament or in the event of the designated traveller's death.
